

## Head of Finances - Glasgow

15 hours per week minimum with evening meetings as required (i.e. board meetings). £14 000 per annum (£35 000 FT equivalent) Permanent contract. Based in Glasgow. Fully flexitime.

Are you looking to work for a national organisation that changes lives through cycling? Do you want to create a positive impact in Scotland?

Bike for Good had tripled in size and turnover but the Finance team hasn't. We now need a Head of Finance to provide analysis and insight to the company as well as to support our current team. Working closely with the Senior team and our Finance Officer, we are looking for an experienced individual to help us develop our finance team as the organisation grows.

You will be required to support the Finance Officer during her absence and may be asked to work extra hours to cover if required.

Bike for Good is a dynamic and growing charity, therefore, this role will suit someone with a 'can do' attitude who can use their initiative to achieve results. Join our award-winning organisation and inspire more people to get on their bikes in Scotland!

The closing date is Sunday 13th January midnight.

Any questions regarding this role should be directed to Greg, Cycling Enthusiast Officer (CEO) – by email: [greg@bikeforgood.org.uk](mailto:greg@bikeforgood.org.uk) or by phone 0141 248 5409.

Application via the Recruitment form attached; **CVs will not be accepted.**

[Applications should be submitted by email to carol@bikeforgood.org.uk.](mailto:carol@bikeforgood.org.uk)
